

## people like you...

*"With the AbilityNet Accessible IT Kit we can cater for all kinds of disability and adapt the technology to the individual."*

Tutor, IT Open Learning Centre, Brighton

*"AbilityNet's expertise and training programme helps us support the majority of disabled end-users - an essential part of our policy towards inclusivity. We can now offer a far more comprehensive IT service with knowledge and confidence."*

People's Network Manager, Peterborough Library Services

*"Using computers is exciting and fulfilling for our guests. We are primarily nursing staff but with AbilityNet's support, technology has added a whole new dimension to life at the Centre."*

Staff Nurse, MS Holiday Centre, Berwick, Scotland

Information provided free of charge from UK's leading computing and disability charity

## **Flexible Enough to Meet Your Needs**

Solutions to meet every need and every budget

## **How can AbilityNet help?**

AbilityNet is firmly established as the UK's leading independent authority on computing and disability; a unique, highly-skilled, national charity with more than a decade of working with all disabilities. As a not-for-profit organisation, AbilityNet is committed to sharing knowledge in addition to offering a range of specialist services. Its clients include all major Departments of State, as well as many local authorities and household names such as Ford, HSBC, Bank of Scotland and IBM.

## **Inclusivity is a simple step with AbilityNet**

Offering IT access to disabled clients in line with the DDA has never been easier for public access centres with AbilityNet's advice and information and in-depth assessment service.

The standard Accessible IT Kit includes instruction manual, tailored training programme for 'frontline' staff plus ongoing telephone support\* as well as the following items:

### **Hardware Keyboards**

- Compact keyboard with metal guard
- Membrane keyboard with interchangeable overlays and guard
- Standard keyboard with metal guard

### **Sundries**

- Large character keytops
- Laptray
- Foam wrist rest
- Switches
- Headphones and splitter
- Keyboard/mouse adapters
- Non-slip mat
- USB-microphone adapter

### **Pointing devices**

- Touchpad
- Miniature trackball
- Standard trackball
- Large trackball with drag lock
- Joystick with extra controls, guard and switch access

### **Software**
